### General Information

The church was originally built in the 13<sup>th</sup> Century out of carstone. It underwent an extensive restoration in the 1870s which inevitably led to many of its medieval features being removed. All the stained glass dates from the late 19<sup>th</sup> / early 20<sup>th</sup> centuries with the majority being made by Ian Pace (1846 – 1928) a former pupil of Clayton & Bell.
